

February 4, 1994 LB 874, 1021

who wishes to speak to LB 1021? Senator Withem, to close.

SPEAKER WITHEM: Yeah, I would like to make one point in closing that sometimes people ask the question, as I think Senator Hartnett was hinting at, and that is, is this brought by anybody, and is it applicable to a particular...pre-existing circumstances? CLERK: Mr. President, 874, a bill introduced by Senators Moore and Schimek. (Read title.) The bill was introduced on January 5 of this year, referred to the Government Committee for public hearing, advanced to General File. I have no amendments to the bill.
